Claims

[c1]   I Claim: (CURRENTLY AMENDED)

A Mobile Vehicle Hail Cover, can provide a protective barrier for top surfaces of a motor vehicle, from the damaging effects of falling hail, during a sudden hail storm, said hail cover, can provide this protection when the vehicle is moving, and under operation on the roadways, the mobile vehicle hail cover comprising:

(a) individual protective cover sheets, which are placed on top of the hood, the roof, and the trunk, of an automobile, van, sport utility vehicle, and pickup truck, consisting of an impact absorbing material, sufficient to absorb and disperse the kinetic energy from falling hail objects, thus preventing body damage;

(b) means to physically hold said hail protective cover sheets firmly on the vehicle, while the vehicle is in motion, said cover sheets may all be interconnected to each other via elastic straps, forming one solid interconnected structure;

whereby the mobile vehicle hail cover protects the moving vehicle from falling hail, it does not cover any windows, headlights, tail lights, turn signal lights, brake lights, and mirrors, of the moving vehicle, to

allow for the safe and legal driving operation of the vehicle while the mobile vehicle hail cover is installed.
